Club Overnighter – Tuesday 11th / Wednesday 12th November, 2008

We often get part the way down to the South Gippsland area before having to turn around. But this time we are going that bit further, stopping overnight down at Yarram. We do about 370km the first day taking in the Black and Reefton Spurs with morning tea at Marysville. Then we head back to Yarra Junction making our way to the Gippsland area for lunch at Erica general store.

Day two is more great and new roads making our way through Gippsland towards Leongatha before heading back up to Pakenham to end up the ride.
