Day Ride #173 – Friday 27th June, 2008.

Maindample Madness

In between the three towns of Benalla, Mansfield and Bonnie Doon, located on the Maroondah Highway, is the Country Hotel, Motel and Restaurant known as the Bridge Inn, Maindample. People traveling along the Highway pass through Maindample at approximately 100 kilometres an hour. Since the invention of the motor car, nobody even noticed the pub was there. But that is about to change.

Scott will be taking us up to the Marysville Bakery for morning tea before making our way to the Maroondah Highway via the Jamieson Road. We will be having lunch at the Bridge Inn Hotel that we have passed several times, but never stopped at.
