## **Ride 1 - The Spurs Revisited**

It's a few years since RIDE #1 - Friday May 21st, 1993.  
Simply named 'The Spurs', it pretty well summed up everything the ride was.

We will remove the section from Oakleigh to Dorset Road and then follow the original ride route up to the Black Spur. Back when this ride went on the road to Cumberland Junction was dirt, how blessed we are now. Then down the Reefton to Warburton.

Morning tea will be at Marysville as it was 15 years ago. Likewise lunch will be at the Launching Place Hotel. From there we will head home to Lilydale
