Hills to Coast with a Bills

We rarely get down to the Mornington Peninsula, so Andy is going to take us for our five yearly spurt. We will leave Narre Warren heading to Cockatoo through to Neerim for morning tea.

From Neerim we head south to Koo Wee Rup and then around to the Mornington Peninsula via Tooradin. We then make our way to the seaside town of Hastings for lunch.

After lunch we head further south – what sort of ride would it be to the Peninsula without a trip up to Arthur's Seat. After Arthur's Seat we head back in the direction of Mornington and end up the ride in Frankston.
